I agree with the pay rate awarded to me in exchange for employment with *SafeSide Electrical Contractor*, and I understand that this is a contract to perform residential and/or commercial electrical services as directed by my appointed supervisor. I am to adhere to all NEC and local codes and safety standards. I confirm that I am competent and fully understand my position and trade and agree to perform services within the prescribed allotted hours for each project and to not do so will be deemed as dereliction of duty and/or incompetence and will result in my termination of employment. I will conduct myself in a respectful and professional manner at all times. I will maintain a neat and groomed appearance. I will at no time discuss *SEC* operations, offer deals, or conduct side work with *SEC* customers. I additionally, agree to sign and comply with the accompanying nondisclosure agreement. I will be punctual and have a sense of urgency without compromising quality or safety on services I perform for *SEC*. To not comply with these terms is to breach this agreement with *SEC* and may result in immediate termination of employment.
